

# Happy 3<sup>rd</sup> Birthday to The Cercadillo Project!

... And another busy year it has been!

(Late October 2010)

Café y Coser, our sewing and crafts initiative, continues to be a way for the women of the village to provide for their families. We've added new products lines such as headbands, sling bags and bracelets.

Because we've been able to meet the women at a point of need, they're open to hearing about Jesus' love for them. Marleni, pictured here, is just one of the women who has found hope and new life in Christ through this ministry.

A **monthly vitamin distribution** gives the opportunity to purchase vitamins for families at an affordable price. Thanks to the generosity of visiting teams, the villagers are also able to obtain toothpaste, toothbrushes and soap while supplies last.

We have plenty of toothbrushes now, but are open to donations of toothpaste!

Here it is! The reliable vehicle we have been waiting for! The **2006 Toyota 4-Runner** arrived in early May, just in time for the worst rainy season anyone can remember. Going in and out of the village would have been impossible without its easy-to-use 4 wheel drive.

If Juan Manuel is asleep on my shoulder you can guess it is close to 4:00 PM. That is the usual time he starts crying and people begin saying, "Go find Ina, Juan!" He holds out his arms, I pick him up and usually in less than five minutes he's sleeping soundly. The same routine takes place whether it is time for our Sunday gathering or if it's a weekday sewing and craft class. **What a privilege to be a part of the lives of the people in Cercadillo!**

Thank you so much for partnering through your prayers and giving. I know that many of you are giving sacrificially so that this work can continue. I do not take that lightly.

Thank you in advance for giving to **The Cercadillo Project**. All contributions are tax-deductible to the fullest extent of the law and will be receipted each month. Choose the option that works best for you.
